

CONTROL GATES

Decision Points & Go/No-Go Criteria

Marta Ventures v4.1 | December 2025

Purpose

Control gates are pre-defined decision points that force honest evaluation. Each gate has specific criteria — if not met, the default action is to **pause or pivot**, not continue hoping.

1. GLOBAL GATES

Gate	Date	GO Criteria	NO-GO Action
G1: Launch Readiness	Jan 5, 2026	Autónomo registered Bank account active	Delay until complete
G2: First Revenue	Mar 31, 2026	Any revenue from any line	Emergency review: What's blocking sales?
G3: Reserve Check	Monthly	Reserve > €3,000	Pause discretionary spend
G4: Mid-Year Review	Jun 30, 2026	Combined revenue > €3,000 1+ line profitable	Continue/pivot/wind-down
G5: Year-End Review	Dec 31, 2026	Net profit positive Reserve > €4,000	Continue Y2 or exit

Global Emergency Stops:

Trigger	Action
Reserve < €2,000	STOP all spending. Wind-down review.
3 months loss > €500	Pause lowest-performing line.
Unplanned expense > €500	Joint approval required.
