7. Local Guardrails (This Business Line)

Guardrail	Limit	Action if Breached
Inventory value	Max €4,000 at any time	Stop purchasing until sold down
Unsold inventory >6mo	>30% of stock	Markdown 20-30%, adjust sourcing
Monthly stall losses	3 consecutive months	Reduce frequency or try new markets

8. Success / Failure Criteria

Timeframe	Success	Warning	Failure
Month 3	Revenue > €400	Revenue < €200	Zero sales
Month 6	Gross profit positive	Still losing monthly	Inventory unsold >50%
Month 12	Net profit > €1,500	Break-even only	Cumulative loss > €1,000

9. Key Risks

- **Customs delays:** Budget extra time for shipping, carry essentials in luggage
- **Slow sales:** Test price elasticity, try different markets
- **Breakage/damage:** Budget 5% loss, improve packaging
- **Seasonality:** Peak summer, slow Jan-Feb — plan cash accordingly
